green team
Interiors ltd

We are an Award Winning Interior Landscaping company specialising in stunning contemporary Living Plant Displays and fabulous Christmas decor for commercial customers. To achieve our exciting plans for the future we need to expand our operations team.

Interior Landscaper [Part time – maternity cover]

full training provided

£7.69 per hour – 22.5 hours per week - According to Experience

Our Plantcare Team look after living plant displays for commercial customers across the south-east region. You could be working anywhere in that region so you will enjoy early morning starts, driving and lots of variety.

At times the work can be physically demanding. Full training will be provided but you must be self motivated preferably with some experience of working with plants and with an excellent customer service attitude. Good communication skills are essential. You should enjoy working as part of a team but equally happy to work on your own.

A full clean driving licence is essential.

Mobile phone and sign written van are provided.

Green Team Interiors are a high quality company with an impressive customer list and a dedicated team of people who have been handpicked to ensure that high customer service standards are maintained. We have a strong culture which values all team members and their opinions, and which encourages involvement. Honesty, integrity, a customer service attitude and a sense of fun are essential attributes.
